

Call for Nominations for the 2024 Irvin Glassman Early Career Investigator Award

Nominations for the 2024 Irvin Glassman Early Career Investigator Award and Lecture are requested by December 15, 2023 for the 2024 Spring Technical Meeting of the Eastern States Section of the Combustion Institute to be held March 10-13, 2024 at the University of Georgia in Athens, GA. Additional information on the Glassman award is available at <https://www.essci.org/>.

At the time of the nomination due date, nominees must be an early-career investigator within ten years of their Ph.D. and, for tenure-track faculty appointments, the nominee must be untenured at the time of nomination. Nominations and/or self-nominations should consist of (1) a nomination letter; (2) a CV for the nominee, including a list of publications; (3) a one-page summary of the nominee's significant contributions; (4) a one-paragraph summary of each of the nominee's three most significant publications; and (5) copies of the three most significant publications. The nominee should be affiliated with an institution in the Eastern States Section at the time of the nomination. Any extensions to the ten-year eligibility window to be considered in the case of family leaves, medical leaves, and/or active military service should be noted as a footnote to the Ph.D. conferral date listed on the nominee's CV. Extensions for other special circumstances may also be requested by email and considered by the committee on a case-by-case basis.

The awardee will receive waived registration, a travel award of up to \$1000 to attend the ESSCI meeting, and a \$500 honorarium to give the Irvin Glassman Lecture as one of the plenary talks or invited topical talks.

Please send nominations no later than December 15, 2023 to the chair of the awards committee: Michael Burke (mpburke@columbia.edu).
