

Information for Transportation, Parking, Conference Venue, and Campus Eateries

Technical Meeting of the Western States Section of the Combustion Institute
March 21-22, 2022

Conference venue

The conference will be held in Building 380, Sloan Mathematical Center (“Math Corner”) on Stanford Main Quad on Jane Stanford Way/Lomita Mall. This is in the north-west part of the main quad, across the Stanford oval. The venue is in the basement of the building, and conveniently accessible through the outside patio via the main quad (see attached map). Signs are posted to guide you to the entrance.

Commuting to campus and parking

Coming from downtown Palo Alto, you can reach the conference venue by walking along Palm Drive, which is about a mile away. Palm Drive has sidewalks and is safe to walk.

Stanford campus is connected through public transport via the Marguerite Shuttle system, free of charge. There are bus stops right in front of the Stanford oval, and the bus schedule can be found [here](#).

For those staying at the Stanford Guest House, we recommend taking the Shuttle Bus that runs between 7:00AM and 7:40PM, see [schedule here](#). The bus runs every 40 mins, plan 25mins for commute between SLAC and Stanford campus. The bus stops at Via Ortega @ Cypress Hall (see map). From there, it is about another 10min walk to the conference venue.

For those arriving by car, there is public parking available (see attached Parking map) at a daily rate of \$35.68/day. Public parking is available at Roble Field Garage (7210), Via Ortega (7202), Tresidder (7239), Roth Way Garage (7201, limited to 4 hours), Galvez Lot (7296), and Wilbur field (see map). A map with parking garages can be found [here](#). Parking permits can be purchased through the [parking app](#). Please note that there are currently no physical pay stations available at visitor lots, and parking permit payments are only possible through the contactless [ParkMobile App](#). Parking permits are strictly enforced during the day; please see [here](#).

Reception

The reception will take place at the [Paul Brest Hall](#), Munger Building 4, 555 Salvatierra Walk, Stanford, CA 94305. Paul Brest Hall is about 10 min walking distance away from the conference venue.

Early Career Mixer

Following the reception, we have an informal Early Career Mixer planned, which will be at the [Tree House](#) near Tresidder Union, few minutes walking distance from the Paul Brest Hall. We have students (Lauren Simitz, Wai Tong Chung, Jack Guo) hosting you at the Tree House.

Restaurants and campus eateries

There are several restaurants and eateries available on campus for lunch. Most of these are in walking distance to the conference venue. A detailed list of restaurants can be found at: https://lbre-sites-prod.stanford.edu/stanford_eateries/index.html
